A VERY SHORT INTRODUCTION

We are JNT Pixels (www.jntpixels.com) Web Development Company and Digital Marketing Agency.

We have diversified expertise in working on multiple domains and industries. From mining, hospitals, doctors, restaurants, resorts, insurance companies, tour operators, travel agencies, eCommerce companies, jewelers, and many more.

We emphasize more on factors that not just make your website user-friendly also ensure search engine friendly. Following are some more add on technical factors which we mandate in the work process. Search Engine Friendly URL, XML sitemap, Robots.txt, Responsive design, page load time, minified CSS, and java scripts.

Some of our previous clients work:

www.citycrewcleaningservices.com

www.kgicleaners.co.uk

www.nhpba.com

www.aspireregenerativehealth.com

www.axiofitness.com

www.mapcommunications.com

www.lightstoneeb5.com

www.pushnami.com

www.klasing-associates.com

www.achievetms.com

www.achieveconcierge.com

www.arabianbots.com

TIME FRAME

The whole website creates, testing, and implementation will take 15 working days. After a successful bug fix on our end, we will migrate the client's official website to their account.

After the site goes live we will take 3 days' observation of what the new site behaves if all fine then we will close the development phase.

The next phase will be support. We will provide 2 months of free support that includes design fix, content change. If you want to enhance functionality then you will be charged.

Pricing Plan:

Based on your requirements and the present status of your website, we will come up with a customized price and proposal.

So your price will be **\$350 USD** including all the services.

**We provided 5 to 10 pages with 2 inquiry forms in WordPress (CMS) , SEO Friendly, Responsive Design (Friendly with Desktop, Tablet, Phone) website in this price.*

Before proceeding you have to pay us 40% price as upfront. Then the rest after your website goes live.

Please feel free to write us back for any further queries, we are always happy to help you.

We look forward to your positive response.

THANK YOU!
